Change Notification

(HT-202B Series)

2021.02.19

TO: Sales / procuring department

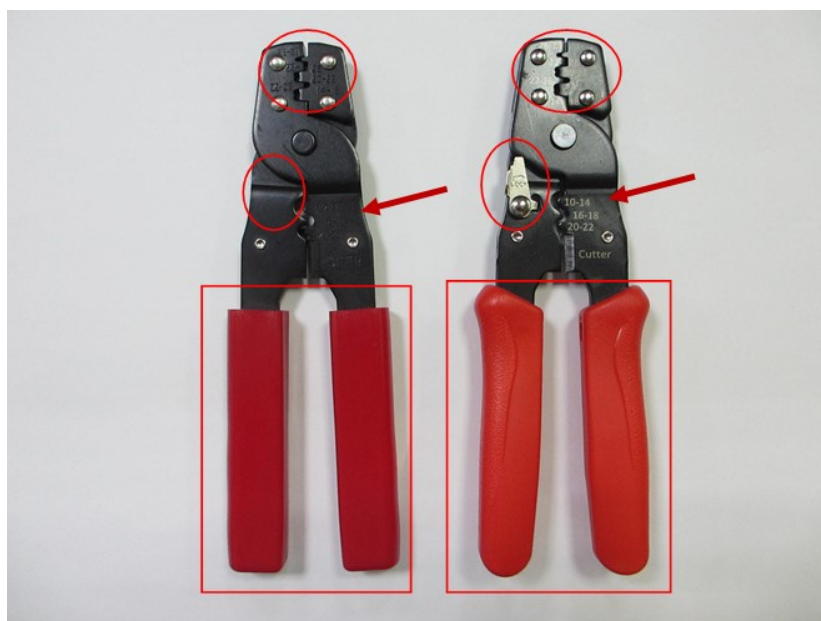

This is to inform that there are new appearance designs of HT-202B series. After the inventory is cleared out, it will be switched to the new design. This change will be introduced after run out of all old stock around January to March 2021. The actual switching time depends on the actual inventory situation.

Change portion:

1. Change the shape of the handle.
2. Add Handle lock.
3. The specification marked on the front surface is change into laser-engraving version

Change reason:

1. The lifetime of the original handle tooling is over. Reopen a new tooling for this tool.
Change handle style and body appearance.
2. Add Handle Lock to improve operation and storage convenience
3. The specification marked on the front surface is change into laser-engraving version for easier identification.

Before

After

Remark :

About to the OEM Case or customized color, customers need to close out the inventory and do the running change.

It would be appreciated if you could forward this notification to your sales / procuring department or related people at your early convenience.
