The final product is made according to engineering drawing.

### **Product Description**

M2.5, 600V, Yellow-Green (default)

#### General information

| Short description | Grounding Terminal Block, Screw Connection |
|-------------------|--|
| Category          | Grounding terminal blocks                  |
| Color             | Yellow-Green (default)                     |
| Connection method | Screw connection                           |
| Type of locking   | Rail mounting                              |
| Length (mm)       | 45.4                                       |
| Width (mm)        | 5.1  |
| Height (mm)       | 40.7                                       |
| Level             | Single level                               |
| Connection points | 2  |

#### Material information

| Insulation material                          | PA                |
|--|-------------------|
| Insulation material group                    | I                 |
| Flame retardant rating , compliant with UL94 | VO                |
| Insulation resistance                        | □500MΩ at DC 500V |
