

## 6mm Fuse Clips – PCB type

### FC-63-11 6mm fuse clip with end stop and PCB lug, tin plated

#### Material (材料)

- 0.45mm thick high quality brass with bright tin plating.

#### Ratings (額定値)

- 25A, 250V maximum

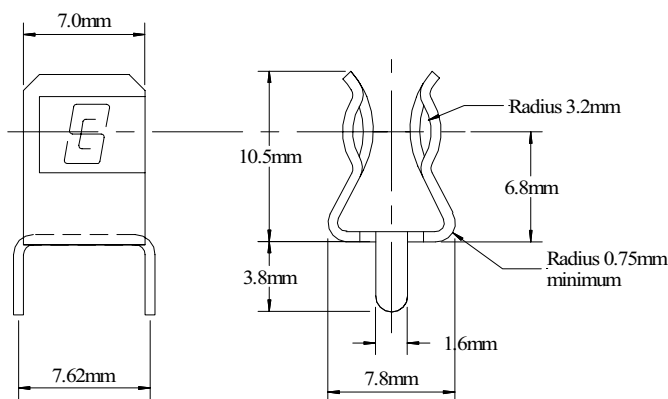

#### Packing (包装)

- Bulk pack of 1000pcs per plastic bag.

#### Solderability (可焊性)

- Comply to MIL-STD-202F, Method 208.

### FC-61-12 6mm fuse clip with ear and PCB lug, silver plated

#### Material (材料)

- 0.47mm thick high quality brass with silver plating.

#### Ratings (額定値)

- 25A, 250V maximum

#### Packing (包装)

- Bulk pack of 1000pcs per plastic bag.

#### Solderability (可焊性)

- Comply to MIL-STD-202F, Method 208.
