

TECHNICAL DATA

Fluke Pack30 Professional Tool Backpack

Key features

- Lightweight weighs less than 6.5 pounds taking the load off your back
- Rugged, waterproof bottom base protects your tools and keeps them upright
- Over 30 pockets in six main storage compartments

"Lightweight, organized and dedicated meter storage. Love the diversity this pack offers. I work with process and industrial equipment. The layout for me flows well for me." - Michael A, verified customer

Product overview: Fluke Pack30 Professional Tool Backpack

Designed for professional electricians and tradesmen

The Fluke Pack30 backpack for professional electricians and tradesmen is rugged yet weighs less than 6.5 pounds. It is built with durable high-quality polyester and features over 30 heavy-duty pockets for storing and carrying your tools to the next job. Three main storage compartments for test tools, hand tools, and a 12" laptop/tablet; a fourth smaller molded pocket for protection of smaller items. Rugged waterproof molded bottom offers protection from the elements and keeps the backpack standing for convenient access to tools. See why the Fluke Backpack is the number one choice for carrying tools.

Ergonomically Designed

- Padding in the back for comfort and lumbar support
- Adjustable chest strap for even weight distribution and increased comfort
- Weighs only 6.5 pounds

Interior Features

- Clips, brackets and straps on the outside of the Fluke Pack30 for frequently used tools such as tape rolls, measuring tapes, voltage detectors
- Stores, organizes and protects test equipment, hand tools, safety glasses, and personal items like keys, wallet and phone
- Special pocket for tablet PCs and laptops 12 inches (30 cm) wide or smaller

Durability

- Built with durable high-quality polyester and plastic bottom base
- Rugged, waterproof bottom base protects tools, keeping the backpack upright for easy access to tools
- Standard one-year warranty; extendable to 2 years through product registration within 45 days of purchase

*Tools shown not included with the Fluke Pack30

* Register product online within 45 days of purchase to extend warranty to two years. See forms.fluke.com/register-your-product to sign up. Look on the back of the "country of origin" tag inside the backpack for the date code; enter this date code in the Serial Number field. Extended warranty applicable in U.S.A. only.

Tools shown not included with the Fluke Pack30

Preventive maintenance simplified. Rework eliminated.

Save time and improve the reliability of your maintenance data by wirelessly syncing measurements using the Fluke Connect™ system.

- Eliminate data-entry errors by saving measurements directly from the tool and associating them with the work order, report or asset record.
- Maximize uptime and make confident maintenance decisions with data you can trust and trace.
- Access baseline, historical and current measurements by asset.
- Move away from clipboards, notebooks and multiple spreadsheets with a wireless one-step measurement transfer.
- Share your measurement data using ShareLive™ video calls and emails.
