

# Soldering Station Heating elements

## Hot Air Station Heating elements

### HS-2050

Heater suitable for SA-50(220V)

### HS-3060, HS-3060A

High performance dual-core ceramic heater  
HS-3060 Applicable model: AT938D  
HS-3060A Applicable model: ST-60

### HS-3050

Four core stainless steel heater  
Applicable model : AT937, AT8586, AT8502D

### HS-3080

High quality four-core wire heater  
Applicable model : AT980D,ST-80

### HS-3080A

High quality pluggable four-core heating element  
Applicable model : AT980E

### HS-3100

Silver alloy heater  
Applicable model : AT90DH,ST-100

### HS-3065A

Pluggable four-core wire heater  
suitable for ST-965

### HS-2065A

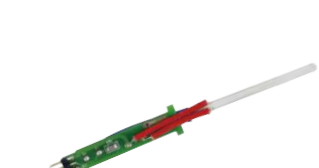

Four core Ceramic heater  
suitable for ST-2090D

### HS-3060B

Pluggable four-core wire heater  
suitable for AT-969

### HS-3065B

Pluggable four-core wire heater  
suitable for AT-989,AT-989D,ST-8802

### HS-3065

Pluggable four core stainless steel heater  
suitable for AT-937A

### HS-3150H

heater  
suitable for ST-1503, ST-1503D

### HS-3120H

heater  
suitable for ST-1203D

### HS-3300H

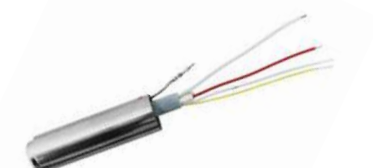

heater  
suitable for ST-3003D

### HS-3090H

heater  
suitable for ST-9003D

### HR-2700A

Heater of spare hot air gun.  
suitable for ST-8800D,ST-8802

### HR-2102B

Heater of spare hot air gun.  
suitable for ST-8902D

### HR-2102A

Heater of spare hot air gun.  
suitable for ST-862D

### HR-2550

Heater of spare hot air gun.  
suitable for AT850D+/AT852D/AT8502D

### HR-2700

Heater of spare hot air gun.  
suitable for AT858D+/AT8586

### HS-5150

Soldering Gun heating element  
Applicable model : GT-X150, MS-900
