

# PZ-241

Piezo Ceramic Buzzer.

Dimension Drawing

|                             |               |
|-----------------------------|---------------|
| Part Number                 | <b>PZ-241</b> |
| Rated Voltage (V)           | 12            |
| Operating Voltage (V)       | 3~20          |
| • Rated Current (mA)        | ≤ 15          |
| • Sound Output at 10cm (dB) | ≥ 86          |
| • Resonant Frequency (Hz)   | 3400±500      |
| Operating Temperature (°C)  | -20 ~ +70     |
| Storage Temperature (°C)    | -30 ~ +80     |
| Weight                      | 3             |

• Value applying at rated voltage (DC).
