The red navigation bar at the top of the page may be used to move sequentially through the class pages or to return here.

Throughout the documentation, when you see this icon, it indicates that the MPLAB[®] Harmony Configurator automates the associated task(s).

- [Software Downloads and Prerequisites](#)

1. [Step 1: Create the New Project](#)
2. [Step 2: Add the Required Libraries](#)
3. [Step 3: Configure the Modules](#)
4. [Step 4: Maintain the State Machines](#)
5. [Step 5: Develop the Application](#)
