

SLI-343YC

Circular high-brightness LED lamp

ROHM's lamp LED lineup covers various types including high-brightness/high-reliability LED lamps suitable outdoor displays.

Product Detail Related Products Design Resources Top

LED Type	High Brightness	☐	Pressur-release structure type
Package size[mm]	φ3	☐	
Viewing angle 2θ1/2	40	☐	
Lens color	Transparent Yellow	☐	
Emitting color	Yellow	☐	
Dominant wave-length λP(Single)(Typ.)[nm]	591.0	☐	
Luminous Intensity(Single)(Typ.)[mcd]	350.0	☐	
Forward Voltage V _F (Typ.) [V]	1.9	☐	
Forward Current(IF)[mA]	20	☐	
Chip Structure	AlGaInP	☐	
Power Dissipation [mW]	125	☐	
Operating Temperature[°C]	-25 to 85	☐	
Storage Temperature [°C]	-30 to 100	☐
